North winds have made my face a little older,  
and my back is bent Thru tryin' too hard.  
My vest is torn, so I make no perfect picture  
to place upon your white washed wall.  
I'd like to stay but you have not asked me,  
still I don't really expect you to.  
Dusty boots would shame you now, Lady Day.  
Are we really that far apart?  
I wish the world could see you now, Lady Day,  
laughing down at your oldest friend,  
the one who shared just about all we have,

in a one sided love affair,  
I get scared when I remember too much.  
Lalala  
Wasted time, I suppose you could say that,  
strange, it doesn't seem that way to me.  
(but wait a minute) i don't even think you're listening,  
just let me tell you how I really feel.  
I've seen the inside of your heart, Lady Day,  
when you wanted to be shown the way.  
I loved you then as I love you now, girl.  
Lalala lalalalala
