Wild thing

Should've known better
With a girl like you
You satisfied my every need
What a little heartbreaker
You turned out to be
Prettiest face I've ever seen
Woh woh woh
Dance little sister, you turn me on
You make my blood run hot
Killer legs in that short black dress
Baby, you was born to rock

I don't mind you foolin' me 'round
Just don't let me out of your jail
I don't mind you messin' me up
I tell all my friends
It's a lethal dose of love
(Lethal dose of love)
Watch out
(Lethal dose of love)
(Lethal dose of love)
(Lethal dose of love)

Should 've know better
With a girl like you
You're totally misunderstood
I hear them talkin'
In this one horse town
You scandalize the neighborhood
Woh woh
My family was shocked by your antic views
The color of your lips and hair
Even my brother who's a God fearin' man
Poor boy had to sit and stare

I don't mind you foolin' me 'round
Just don't let me out of your jail
I don't mind you messin' me up
I tell all my friends
It's a lethal dose of love

Lethal dose of love
Yeah yea yeah
(Lethal dose of love)
(Lethal dose of love)

I hear the clickin' of your heels on the stairs
You don't talk and I don't ask
What a little difference
Some eyeliner makes?
Tomorrow you'll be back in class
Although my blueprint for happiness
Depends on you
I'll cook and clean and be your slave
I'll tie you up but I won't tie you down
Baby, I might even shave

I don't mind you foolin' 'round
Just don't let me out of your jail
I don't mind you messin' me up
I tell all my friends
It's a lethal dose of love

Lethal dose of love
(Watch out)
Lethal dose of love
(Watch out)
Lethal dose of love
Lethal dose of love
(Yeah, yea yeah)
Lethal dose of love
(Yeah, yea yeah)
Lethal dose of love
(Yeah, yea yeah)
Lethal dose of love
(Yeah, yea yeah)
(Lethal dose of love)
(Lethal dose of love)
(Lethal dose of love)
...
