There has to be a reason
Why everyone speaks bad of my baby
I think I know that reason and it is, oh, so sad

They say she walks the streets
But that's not strictly true
She's got a lot to eat and she's not as rich as you
She's just a little missunderstood, that's all

Everyone needs somebody
To get them through that time
You may not love that someone
As much as I love mine

But if she walks the streets
Does that condemn her soul?
Or is heaven so complete, it rejects a heart of gold?

She's just a little missunderstood
A little miss understood
A little miss understood, that's all

But if she walks the streets
Does that condemn her soul?
Or is heaven so complete, it rejects a heart of gold?

She's just a little missunderstood
A little missunderstood
She's just a little missunderstood
That's all

And if she walks the streets
Does that condemn her soul?
Or is heaven so complete [unverified]
