Oh, baby, I don't know why
But somehow I always seem to
Get tangled up in my pride
But oh, baby, we're not that blind
Deep down inside you know
This love's worth one more try
Don't push it all aside

'Cos I wanna be good for you
I didn't mean to be bad
But darlin' I'm still the best
That you ever had
Just give me a chance
To let me show you how much
I wanna give you my love touch
love touch

Why can't I climb your walls
And find somewhere to hide
Can't I knock down your door
And drag myself inside
I'll light your candles baby
And maybe I'll light your life
I wanna feel the breathless end
You come to every night
This ever changing love
Is pushing me too far
I feel the need to reach you
Right now wherever you are
These empty arms are getting stronger

Every day
Believe me baby
They won't let you get away
No, they won't let you get away

'Cos I wanna be good for you
I didn't mean to be bad
But darlin' I'm still the best
That you ever had
Just give me a chance

To let me show you how much
I wanna give you my love touch
love touch

You know it don't matter
Who's right who's wrong
Think we're gonna find out
If the love is strong
Just give me a chance
To win back your trust
I wanna give you my love touch
love touch
(Oh you're gonna get a, oh you're gonna
get a big love touch
