

## Rod Stewart "Love Wars"

Visit "[Love Wars](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Released on cd single have I told you lately, 1993  
Cecil womack, linda womack

Love wars, love wars  
Absence makes the heart grow fonder  
But it's taking me under  
Since you're not here, oh baby  
Its better when it's harder to get  
But this hide and go seek  
Well it's making me weep, yeah  
(oh we call over now baby)  
I promise you to stop boxing you round  
So don't scratch my face now  
At the end of the eight  
We need to get our act together  
Take it off the street  
Bring it on home and drop them guns on the floor  
Stop them  
Love wars (no, we don't need no)  
Love wars, ha

Talks we had just don't change a thing  
They only bring rain  
On top of pain, it's hurts me  
Flashbacks and uncover tracks  
From when you left me  
With my best friend,  
Oh you left me all alone baby  
(so sorry babe) hurts so bad  
We need to get our act together  
Take it off the street  
Bring it on home and drop them guns on the floor  
Make love in peace  
And baby never cheat  
Vow to be strong and let the band roll on  
No more love wars (we don't need no)

Love wars  
Love wars we don't want no  
Love wars (I don't want no)  
Love wars  
We don't need no love wars

Get it off the street (love wars)  
We don't need no (no more, no more)  
Love wars

Absence makes the heart grow fonder  
But it's taking me under  
Since you're not here, oh baby (oh baby)  
I remember losing my head  
And calling you things  
Like dirty names oh I had ( ) enough (yes you did, boy)  
We need to get our act together  
And get it off the street  
Bring it on home and drop them guns on the floor,  
yeah  
Make love in peace  
And baby ever cheat  
Vow to be strong and let the band roll on  
Stop them  
Love wars (we don't need no)  
Love wars  
Love wars, we don't need no  
Love wars (I don't want no love wars)  
I don't need no, need no (love wars, I don't want no)  
Love wars (talk to me, boy)  
Love wars, ha  
(wanna talk about it)  
There'll be nothing for us ( ) between  
(talk to me we don't need we don't want no)
