Wake up Maggie, I think I've got something to say to  
you

It's late September and I really should be back at  
school

I know I keep you amused, but I fell I'm being used

Oh Maggie, I couldn't have tried any more

You led me away from home

Just to save you from being alone

You stole my heart and that's what really hurts

The morning sun when it's in your eyes really shows  
your age

But that don't worry me none, in my eyes you're  
everything

I laughed at all of your jokes, my love you didn't need  
to coax

Oh Maggie, I couldn't have tried any more

You led me away from home

Just to save you from being alone

You stole my soul and that's a pain I can do without

All I needed was a friend to lend a helping hand

But you turned into a lover and mother

What a lover, you wore me out, all you did was wreck  
my bed

And in the morning kick me in the head

Oh Maggie, I couldn't have tried any more

You led me away from home

'Cause you didn't want to be alone

You stole my heart, I couldn't leave you if I tried

I suppose I could collect my books and go on back to  
school

Or steal my daddy's cue and make a living at playing  
pool

Or find myself a rock and roll band, that needs a  
helping hand

Oh Maggie, I wished I'd never seen your face  
You made a first class fool out of me  
But I'm as blind as a fool can be

You stole my heart but I love you anyway  
I'd never seen your face  
I'll get on back home, one of these days
