(ron wood, ronnie lane)

I'm waiting here in patience and I'm waiting all in vain
Will I see you, will I touch you, will I hear you call my
name ?

Comin' comin' comin' make

Ten steps to every one step that I take

Nobody comes and nobody goes, no one is happy, and
no one has woes.

Everything lasting, ever the same,

Nothing is ending, nothing can change.

The good lord always has been, always will be ever the
same.

And confusion mixed with illusion are years only turn
again

With one and one hundred names,

Had all the rooms, our key is to change.

Nobody comes and nobody goes, no one is happy and
no one has woes,

Everything lasting, nothing can change,

Nothing is ending, ever the same

And nothing the same, it's never the same

Ooh hoo
