When the blue shirts run out in Argentina
Our hearts will be beating like a drum
And your nerves are so shattered you can't take it
Automatically you reach out for the run
But there really isn't any cause for panic
Ally's army had it all under control
It's not merely speculations
It's not just imagination
To bring the World Cup home is Scotland's goal

Ole ola, Ole ola
We're gonna bring that World Cup back from over there
Ole ola, Ole ola
We're gonna bring that World Cup back from over there

We got Dalglish, Buchan and Macari
We got Archie Gemmill, Johnstone and McQueen
We got Big Joe Jordan waiting at the middle and the
best support
This world has ever seen
We got Donachie, Rioch and Don Masson
We got Andy Gray and Asa Hartford too
And with this lethal combination it's a fair estimation
That the World Cup will be ours the end of June

Ole ola, Ole ola
We're gonna bring that World Cup back from over there
Ole ola, Ole ola
We're gonna bring that World Cup back from over there

Oh, Brazil, this time I don't think so
Holland without Cruyff just ain't the same
Germany will, we feel, be a challenge
The Italians can still play the game
But there's really only one team in it
We'll be singing as we'll get off of the plane

We are bound for Buenos Aires, we don't care just what
they tell us
Only wish we had Danny McGrain

Ole ola, Ole ola

We're gonna bring that World Cup back from over there

Willie Johnstone, then it goes to Dalglish. Lou Macari supporting. There's on opener, defended by Buchan, there's Kenny Dalglish in there. Oh, what a goal! Oh, yes! That does it!

They'll be singing up there in Aberdeen and Dundee
Glasgow will be reaching fever pitch
Cause with a nation of five million we're gonna really
turn the heat on
Cause we invented football anyway

Ole ola, Ole ola
We're gonna bring that World Cup back from over there
Yes, we are
Ole ola, Ole ola
We're gonna bring that World Cup back from over there
Ole ola, Ole ola
We're gonna bring that World Cup back from over there
All together now:
Ole ola, Ole ola
We're gonna bring that World Cup back from over
there. One more
Ole ola, Ole ola
We're gonna bring that World Cup back from over there
Yes, we are
Ole ola, Ole ola
We're gonna bring that World Cup back from over
there. I know, I know
Ole ola, Ole ola
We're gonna bring that World Cup back from over there
Ole ola, Ole ola
We're gonna bring that World Cup back from over there
