Ever since I was a young boy I played the silver ball  
From Soho down to Brighton I must have played 'em all  
But I ain't seen nothin' like him in any amusement hall  
That deaf, dumb an' blind kid sure plays a mean  
pinball

He stands like a statue, becomes part of the machine  
Feelin' all the bumpers, always playin' clean  
Plays by intuition, the digit counters fall  
That deaf, dumb an' blind kid sure plays a mean  
pinball

He's a pinball wizard  
There has to be a twist  
A pinball wizard's  
Got such a supple wrist

How do you think he does it? I don't know, what makes  
him so good?  
Ain't got no distractions, can't hear those buzzes and  
bells  
Don't see lights aflashin', plays by sense of smell  
Always gets a replay, never seen him fall  
That deaf, dumb an' blind kid sure plays a mean  
pinball

I thought I was the body table king  
But I just handed my pinball crown to him

Even on my favorite table, he can't beat my best  
His disciples lead him in and he just does the rest  
He's got crazy flipper' fingers, never seen him fall  
That deaf, dumb and blind kid sure plays a mean  
pinball
