Oh, yeah, yeah, yeah
Ooh, ooh (ooh, ooh)

No matter how long it takes, baby
It would never be a day too long
All the mistakes I made
And the games that I played
Didn't know I was needin' you so bad

But I never thought that I would feel so lonely
And I never thought that I would feel so sad

I wanna run back into your arms tonight
I want you back here where you belong
I wanna take back all of those lies I told
I was wrong, so wrong
And now you're gone
Oh, yeah
Now you're gone

Just give me another chance, baby
To show you how much I really care
All that I put you through
I never knew
Didn't know I was makin' you so sad

Baby, now that you have given me a reason
And the time has come for me to understand

I wanna run back into your arms tonight
I want you back here where you belong
I wanna take back all of those lies I told
I was wrong, so wrong
And now you're gone
Now you're gone
Ooh, ooh

But you never miss the water till the well runs dry
But ya left me cold and lonely
And I know the reason why

I wanna run back into your arms tonight

I want you back here where you belong
I wanna take back all of those lies I told
I was wrong, so wrong
And now you're gone
Now you're gone
And now you're gone
All alone
Ooh, ooh, ooh, ooh (ooh, ooh, ooh, ooh)
I miss you, baby
I wanna run back to your arms
Sometime
Yeah, hey, babe
And now you're gone
Now you're gone
And now you're gone
