Secret heart, what are you made of?
What are you so afraid of?
Could it be three simple words
Or the fear of being overheard? What's wrong?

Let her in on your secret heart

Secret heart, why so mysterious?
Why so sacred, why so serious?
Maybe you're just acting tough
Maybe you're just not bad enough, what's wrong?

Let her in on your secret heart

This very secret
You're trying to conceal
Is the very same one
You're dying to reveal
Go tell her how you feel

This very secret
You're trying to conceal
Is the very same one
You're dying to reveal
Go tell her how you feel

Secret heart, come out and show it
This loneliness, if you can bear it
Could it have something to do with
Admitting that you just can't go through it alone

Let her in on your secret heart
Let her in on your secret heart
Let her in, let her in on your secret heart
Let her in, let her in, let her in on your secret heart
Let her in on your secret heart
