Here we go babe
Putting each other down
I don't know how long this love will last
If we keep kicking it around

We threaten each other with leaving
Neither one of us giving in
We're walking on thin ice baby
I don't wanna see it end

And oh, I've never let
Any woman this close to me
Don't let me down
Put in some trust, don't give up on us

Strangers again
We should talk it over
Strangers again
Let's make love and say we're sorry
Strangers again
We both need a shoulder, don't let it go

I can't stand the silence
When we don't get along
Both of us believing
That the other must surely be wrong

So strange how two people
Can be so very cruel
Both of us should know by now
Neither one's the other one's fool

And oh, I've never let
Any woman this close to me
So don't let me down
Put in some trust, don't give up on us

Strangers again
We should talk it over
Strangers again
Let's make love and say we're sorry
Strangers again

We both need a shoulder, don't let it go

Oh, I've never let
Any woman this close to me
So don't let me down
Why don't ya put in some trust, don't give up on us

Strangers again
We should talk it over
Strangers again
Let's make love and say we're sorry
Strangers again
We both need a shoulder, don't let it go

Strangers again
I don't know what happened
Strangers again
Yesterday was full of passion
Strangers again
We both need a shoulder, don't let it go
