(mick jagger / keith richards)

Everywhere I hear the sound  
Of marching, charging feet boy  
Cause the summers here  
And the time is right for  
Fighting in the street boy

Hey think the time is right  
For a palace revolution  
Where I live the game to play  
Is just to compromise my solution

What can a poor boy do  
Except to sing for a rock n roll band  
Cause you see bein london town  
There's just no other place  
For a street fighting man

Hey did I tell you that my name  
Was called disturbance  
And I'll shout and scream  
And I'll kill the king and  
Ill rail at all his servants

What can a poor boy do  
Except to sing for a rock n roll band  
Cause you see bein london town  
There's just no place  
For a street fighting man

Everywhere I hear the sound  
Of marching, charging feet boy  
Cause the summers here  
And the time is right for  
Fighting in the street boy

What can a poor boy do  
Except to sing for a rock n roll band  
Cause you see bein london town  
There's just no other place  
For a street fighting man
