Here I go again
I'm hearing trumpets blow again
All aglow again
Taking a chance on love
Here I sink again
I'm getting in the pink again
On the brink again
Taking a chance on love
This game I'm taking a crack up
Show needs good love with me
And so I'm taking a whack at
Any black cat that I see

Things are mending now
I see a rainbow blending now
We'll have a happy ending now
Taking a chance on love

Take a chance, oh yeah

I walk around with a horseshoe
And in clover I lie
While Mr. rabbit of course you
Better kiss your foot good-bye
Here I slip again
I'm gonna take that tip again
I've got my grip again
Taking a chance on love
And I'm on the ball again
I'm riding for a fall again
I'm gonna give my all again
Taking a chance on love
Taking a chance on love
I thought the cards were a frame-up
I never would try
But now I'm taking the game up
And the ace of hearts is high
Oh boy I have a boat again
I'm in the swimming pool again
Exclusively mine is ??? again
Taking a chance on love
We'll have a happy ending now

Taking a chance on love
On love
Ooh, on love
