(ron wood/rod stewart) Sit right down if you can spare
me a minute got a tale that's bound to break your
heart Concerns my brother who's thin and played
violin Got it in his head that an iq is all you need
He went his way I couldn't discover mine I didn't worry if I
ever saw him again He's made a profit while I don't
even own a pocket And the last I heard he was sitting at
the top of the tree Wait a minute Late last night reading
my underground press Came a knock on the door
thought it was the third world war Lord above I did not
recognize him I said have a cup of coke here maybe
that's all you need He said the smell of the city
Kid it's trying to kill me My eyes are getting muddy
Christ I'm aging fast My kind of music I knew it wasn't gonna
to be simple But have a quick listen kid maybe that's all
you need Don't stop you make me feel much better
Tell me my brother do you think that's all I need
Yea yea Don't it make you happy Well, well, well,
well That's all you need That's all you need That's all
you need That's all you need (repeat and fade)
