I tried to do things my own way
I tried to do what people say
But I was going nowhere fast
And now I'm turning to You at last

What do You want me to do?
What do You want me to do?
What do You want me to do, Lord?

I can see the lights of home
But I can't get there on my own
I can see the landin' strip
But I need You to guide my ship

What do You want me to do?
What do You want me to do?
What do You want me to do, Lord?

I've been a fool and I've been a clown
I've let the enemy turn me around
I've wasted love and I've wasted time
I've been proud and I've been blind

There's such a lot of things to change
A whole world to rearrange
And if You show me how
I'll begin right now

What do You want me to do?
What do You want me to do?
What do You want me to do, Lord?

I've been deceived and misunderstood
But in my heart there was only good
I stood alone most of my time
But now I've got You by my side

What do You want me to do?
What do You want me to do?
What do You want me to do, Lord?

What do You want me to do, Lord?

What do You want me to do, Lord?
'Cause I'm listenin', I'm listenin'
I'm listenin'
Lord, I'm listenin', I'm listenin'
