When I need you  
I just close my eyes and I'm with you  
And all that I so want to give you  
It's only a heart beat away

When I need love  
I hold out my hand and I touch love  
I never knew there was so much love  
Keeping me warm night and day

Miles and miles of empty space in between us  
A telephone can't take the place of your smile  
But you know I won't be traveling forever  
It's cold out but hold out and do like I do

When I need you  
I just close my eyes and I'm with you  
And all that I so want to give you baby  
It's only a heart beat away

It's not easy when the road is your driver  
Honey that's a heavy load that we bear  
But you know I won't be traveling a lifetime  
It's cold out so hold out and do like I do  
When I need you

When I need love  
I hold out my hands and I touch love  
I never knew there was so much love  
Keeping me warm night and day

When I need you  
I just close my eyes and I'm with you  
And all that I so want to give you  
It's only a heart beat away

When I need you  
Hold you, feel you  
And all that I so want to give you, give you, show you  
It's only a heart beat away

When I need love

Just touch me, I'll be there  
I never knew there was so much love, real love  
It's cold out so hold out and do like I do

And I miss you baby  
I just close my eyes and I'm with you  
And I need you tonight  
You know it's only a heart beat away
