Today I saw somebody who looked just like you
She walked like you do, I thought it was you
As she turned the corner I called out your name
I felt so ashamed but it wasn't you, wasn't you

You are everything and everything is you
You are everything and everything is you
Oh you are everything and everything is you

How can I forget when each face that I see
Brings back memories of being with you
I just can't go on livin' life as I do, comparing each girl
to you
Knowing they just won't do, they're not you

You are everything, everything is you
(Everything is you)
You're everything, everything is you
(You're everything to me girl)
You're everything, everything is you
(I miss you baby)
You're everything, everything is you
(Everything is you)
You're everything, everything is you

You're everything, everything is you
(Every little thing)
You're everything, everything is you
(You're all I've got)
You're everything, everything is you
(Girl, you're everything to me)
You are everything, everything is you

You're everything, everything is you
(You're everything and everything is you)
You're everything, everything is you
(Everything to me)
