Ooh, Lord have mercy

You must be crazy or half insane  
Look at your eyeballs, street cocaine  
You drink that white rum, you hit the roof  
What do you expect, one-five-one proof, yeah, oh

You drive your Mustang down sunset strip  
And in the back seat, a big black whip  
Look at your lipstick, all 'round your face  
Everything you do is in bad taste

Baby I think you're cute  
But there's no substitute for love  
Honey it's a crying shame  
This whole mad town thinks you're insane, boogie

You take me dancin' but I can't dance  
But when I try to, you start to laugh  
You shake your hips child, like a rattle snake  
You make me jealous make no mistake, yeah, oh

You went to Woodstock and all that trash  
Your generation is fading fast  
You wear them hot pants, they're out of style  
You like brown sugar, I think it's vile

Honey when I think you're cute  
But there's no substitute for love  
Baby it's a crying shame  
This whole mad town thinks you're insane, yeah

One of these nights child, it won't be long  
Somebody somewhere who's big and strong  
In a dark alley, a blood stained coat  
He'll stick his long thing right down your throat

Honey I think you're cute  
But there's no substitute for love, yeah  
My baby it's a crying shame  
This whole mad town thinks you're insane, ooh

Lord have mercy  
Hey baby, I think you're insane baby  
You got no brain, you're insane, yeah

Tell me baby, can you play harp  
Can you play bass?  
Can you play guitar?  
Can you play drum?  
Then you're insane, aww

You're insane, [Incomprehensible]  
Boogie, boogie, boogie, booga  
Yeah insane, you got no brain  
Yeah babe, ooh aww, aww, aww, aww
