I see trees of green, red roses too
I see them bloom for me and you
And I think to myself, what a wonderful world

I see skies of blue and clouds of white
The bright blessed day and the dark sacred night
And I think to myself, what a wonderful world

The colors of the rainbow, so pretty in the sky
Are also on the faces of people going by
I see friends shakin' hands, sayin', "How do you do?"
They're really saying, "I love you"

I hear babies cryin', I watch them grow
They'll learn much more than I'll ever know
And I think to myself, what a wonderful world

The colors of the rainbow, so pretty in the sky
Are also on the faces of all the people going by
I see friends shakin' hands, sayin', "How do you do?"
They're really saying, "I love you"

I've heard my babies cryin' and I've watched them grow
They'll learn much more than I've ever, ever known
And I think to myself, it's a wonderful world
I think to myself, what a wonderful world

What a wonderful world

And I think to myself, what a wonderful world
