Strange and beautiful are the stars tonight  
that dance around your head  
in your eyes I see that perfect world  
I hope that doesnt sound too weird

I want all the world to know  
that your love's all I need  
all that i need

and if we're lost  
than we are lost together  
and if we're lost  
we are lost together

stand before this faceless crowd  
I wonder why I bother  
so much control by so few  
Stumbling from one disaster to another

I've heard it all so many times before  
It's all a dream to me now  
A dream to me now

And if we're lost  
Then we are lost together  
Yea if we're lost  
We are lost together

In the silence of this whispered night  
I listen only to your breath  
And that second of a shooting star  
Somehow it all makes sense

And I want all the world to know  
That your love's all I need  
All that I need  
And if we're lost  
Then we are lost together  
Yea if we're lost  
Then we are lost together
