"Something True"

i've always wanted to think
that life has more to it, than this
that wishes do come true
yes they do exist
just depending on how you look at it

if i believe in everything
am i a fool
i've got my heart depending on
something true
eh yeah, eh yeah
something true
eh yeah, eh yeah

sometimes innocence and play
soon get up and they walk away
when the struggle of
growing up becomes
more to us than we can take

if i believe in everything
am i a fool
i've got my heart depending on
something true
eh yeah, eh yeah
something true
eh yeah, eh yeah

as i look back on all the things i have wished
i realize that i have gotten all of it

if i believe in everything
am i a fool
i've got my heart depending on
something true
eh yeah, eh yeah
something true
eh yeah, eh yeah

i believe
i believe

yes, i believe
i believe
i believe
yes, i believe
i believe

if i believe in everything
????
i've got my heart depending on
if i believe in everything
????
i've got my heart depending on
something true
eh yeah, eh yeah
something true
eh yeah, eh yeah
it's true
