Don't tell me I'm wrong  
Cause I've been watching every move that you make  
Hearts you steal with your make-up and heels  
Trouble for the men that you take

Every time you walk in the room  
I couldn't even be sure of a smile  
You were never the same way twice  
But I'm falling in love  
Night after night - oh it's crazy

So many people who said  
Girl you've got nothing but time  
Oh you are a shining star  
Don't you worry about what you're leaving behind

Every time you walk in the room  
I couldn't even be sure of a smile  
You were never the same way twice  
But I'm falling in love  
Night after night - oh it's crazy

Oh you got to try try try  
Don't you know you've got to try try try  
Oh baby you try

Every time you walk in the room  
I couldn't even be sure of a smile  
You were never the same way twice  
I'm falling in love  
Night after night - oh it's crazy

Oh you got to try try try  
Don't you know you've got to try try try  
Oh baby you try
