Oh! Mama Don't Cry No More  
Cause Ur Baby Boy Is Here  
For You But My Heart Had  
Been Boundin Down Too Long  
I Shall Make The Right Choices  
I Gotth Get It Together

Landin There At Night On Da Road  
Cryin Think Life Was Over I Know  
Times Got Harder But It Seem To  
Be Nothin No One Care I'm Gonna  
Make It Out

Oh! Mama Don't Cry No More  
Cause Ur Baby Boy Is Here  
For You But My Heart Had  
Been Boundin Down Too Long  
I Shall Make The Right Choices  
I Gotta Get It Together

I Seen A Child Wonderin Around  
Alone Cause He Was Lookin For  
The Future To See His Mother  
Again But She Abandon Him Then  
Turn Back When He Needed Her Feel  
That She Didn't Care At All For  
Love Or Embraced His Needs

Oh! Mama Don't Cry No More  
Cause Ur Baby Boy Is Here  
For You But My Heart Had  
Been Boundin Down Too Long  
I Shall Make The Right Choices  
I Gotta Get It Together
