(Godmother)

Impossible, for a plain yellow pumpkin to become a golden carriage.

Impossible, for a plain country bumpkin and a prince to join in

Marriage,

And four white mice will never be four white horses!

Such fol-der-ol and fid-dle-dy dee of course, is---

Impossible!

But the world is full of zanies and fools

Who don't believe in sensible rules

And won't believe what sensible people say.

And because these daft and dewey-eyed dopes keep building up impossible

Hopes,

Impossible things are happening every day.

(Cinderella)
