A lovely night,
A lovely night,
A finer night you know you'll never see.
You meet your prince,
A charming prince
As charming as a prince will ever be.

The stars in the hazy heaven
Tremble above you
While he is whispering
Darling I love you.

You say goodbye,
Away you fly
But on your lips you'll keep a kiss
All your life you'll dream of this
Lovely, lovely night.

A lovely night,
A lovely night,
A finer night you'll know you'll never see.
You meet your prince,
A charming prince
As charming as a prince will ever be.

The stars in the hazy heaven
Tremble above you
While he is whispering
Darling I love you.

You say goodbye,
Away you fly
but on your lips you'll keep a kiss
All your life you'll dream of this
Lovely, lovely night.

You say goodbye,
Away you fly
but on your lips you'll keep a kiss
All your life you'll dream of this
Lovely, lovely, lovely night.
