ORGAN, ORCHESTRA AND NUN'S CHORUS
How do you solve a problem like Maria?
How do you catch a clown and pin it down?
How do you find a word that means Maria?
A flibberti gibbet!
A willo' the wisp!
A clown!
Many a thing you know you'd like to tell her,
Many a thing she ought to understand.
But how do you make her say,
And listen to all you say?
How do you keep a wave upon the sand?
Oh, how do you solve a problem like Maria?
How do you hold a moonbeam in your hand
