Why should a fellow want a girl like her  
A frail and fluffy beauty  
Why can't a fellow ever once prefer  
A solid girl like me

She's a frothy little bubble  
With a flimsy kind of charm  
And with very little trouble  
I could break her little arm.

Oh, oh why would a fellow want a girl like her  
So obviously unusual  
Why can't a fellow ever once prefer  
A usual girl like me

Her cheeks are a pretty shade of pink, but their no  
pinker than a rose is  
Her skin may be delicate and soft, but it's no softer  
than a doe's is  
Her neck is no whiter than a swan's  
She's only as dainty as a daisy  
She's only as graceful as a bird  
So why is the fellow going crazy?

Oh why would a fellow want a girl like her,  
A girl who's merely lovely,  
Why can't a fellow ever once prefer  
A girl who's merely me

She's a frothy little bubble  
With a frilly sort of air  
And with very little trouble  
I could pull out all her hair!

Oh why would a fellow want a girl like her,  
A girl who's merely lovely,  
Why can't a fellow ever once prefer  
A girl who's merely me

What's the matter with the men,  
What's the matter with the men,  
What's the matter with the men?!!
