[Robert]

When the children are asleep we sit and dream,  
The things that every other dad and mother dream.  
When the children are asleep and lights are low,  
If I still love you the way I love you today,  
You'll pardon my sayin', I told you so...  
When the children are asleep, I'll dream with you  
We'll think what fun we have had and be glad  
That it's all came true

[Barbara]

When the children are asleep we sit and dream,

[Robert]

Dream all alone...

[Barbara]

The things that every other dad and mother dream

[Robert]

Dreams that won't be interrupted...  
When the children are asleep and lights are low

[Barbara]

Lo and behold...  
If I still love you  
The way I love you today,  
You'll pardon my sayin', I told you so...  
When the children are asleep, I'll dream with you

[Robert]

You'll dream with me...

[Barbara]

We'll think what fun we have had and be glad  
That it's all came true!

[Robert]

When today is a long time ago...

[Both]

You'll still hear me say

That the best dream I know is you

[Barbara]

When the children are asleep I dream with you
