Girl I'm trying everything I can  
But it doesn't seem to get through (Oh, oh)  
I can't remember where it all began  
Is this your way of saying I'm not good for you?  
Come on!

Won't you just give me affection  
You must be affection  
We need to take a walk, have a talk  
We'll be hanging around

Affection  
Show me affection  
I wanted to let go  
You said "no, I won't let you take me down"  
Who do you really think you are?  
Who do you really think you are?

So if you got a minute, look at me  
Can't you hear what I'm trying to say (listen)  
Oh, if this is all I'm gonna get from you  
You might as well stay away  
Stay away

Won't you just give me affection  
You must be affection  
We need to take a walk, have a talk  
We'll be hanging around

Affection  
Show me affection  
I wanted to let go  
You said "no, I won't let you take me down"  
Who do you really think you are?  
Who do you really think you are?  
Who do you really think you are?

Affection  
Affection  
You must be affection  
We need to take a walk, have a talk

We'll be hanging around

Affection

Show me affection

I wanted to let go

You said "no, I won't let you take me down"

Affection

You must be affection

We need to take a walk, have a talk

We'll be hanging around

Affection

Show me affection

I wanted to let go

You said "no, I won't let you take me down"

Who do you really think you are?

Who do you really think you are?
