I'm going crazy
I go crazy crazy yeah
Crazy crazy crazy

If you want me there
Come and make me fear
Everything about your love
Your arms around me now
Your lips are at the near
It's like the devils sneer

She fills me up in her arms
She holds me tight 'til dawn
And save your prayers
'Cause she promised no more love affairs
No more love affairs

I go crazy crazy
You know you are the one
That makes me crazy
It took some time
But I'm finally done
If love makes you blind
Then what's hiding there behind

Crazy crazy
You know you are the one
That makes me crazy
It took some time
But I'm finally done
If love makes you blind
Then what's hiding there behind

Please take me away
I'm falling in love
With my deepest fear (my deepest fear)
Is like she got my eyes
She knows we're breaking lives
And I don't know how
No I don't know how

She fills me up in her arms

She holds me tight 'til dawn...
