Never thought a word could break a man
But if you answer yes I'm crumbling
'Cause on the street your name's been going round
Hope you ain't trying to play your brother out

Now the question is girl have you done it
Only you know the truth and I want it
Innocent or guilty
Tell me what it's gonna be

I heard you're doin' dirt
Digging someone else
Making such a mess
You're burying yourself

I heard you're doin' dirt
Why don't you come clean
Oh girl it's gonna hurt
When I wash my hands of you
Baby

I remember you were smiling hard
The day you got the keys to the house the whip my
heart
I gave you everything a playa had
Please don't make me have to go and take it all back

Now the question is girl have you done it
Only you know the truth and I want it
Innocent or guilty
Tell me what it's gonna be

I heard you're doin' dirt
Digging someone else
Making such a mess
You're burying yourself

I heard you're doin' dirt
Why don't you come clean
Oh girl it's gonna hurt
When I wash my hands of you
Baby

I ain't trying to be all thug
But girl you needs to know
If you done slipped up
Then you then gots to go
But I want you to stay
So better speak up now
And girl with just one word
Are you in or out

I heard you're doin' dirt
Digging someone else
Making such a mess
You're burying yourself

I heard you're doin' dirt
Why don't you come clean
Oh girl it's gonna hurt
When I wash my hands of you
Baby

I heard you're doin' dirt
Digging someone else
Making such a mess
You're burying yourself

I heard you're doin' dirt
Why don't you come clean
Oh girl it's gonna hurt
When I wash my hands of you
Baby
