Oh yeah

If you give this chance  
I'll make it last in good times  
If you take my hand  
We'll walk through bad times  
Girl you and I were meant forever  
Only love can make us stay together

Can't you see your moves are driving me crazy  
I bet you feel the same way for me baby

Show me what you've got and let me rock this day  
Sit down and listen because I know my thing

Give it give it all you've got (all you've got)  
Shake it shake it on the spot (on the spot)  
Hate it fake it in the light (in the light)  
Give it give it all you've got (all you've got)  
Shake it shake it on the spot  
In the light oh

Gonna get my love for you baby  
'Cause I am the one who stands by your side yeah  
And the sadness would't make me leave you  
And what's happening inside I'll will always love you  
Don't care if your mamma don't like me  
Beacuse I am a boy who knows exactly where I'm  
standing

Show me what you've got and let me rock this day  
Sit down and listen because I know my thing

Give it give it all you've got (all you've got)  
Shake it shake it on the spot (on the spot)  
Hate it fake it in the light (in the light)  
Give it give it all you've got (all you've got)  
Shake it shake it on the spot

Did you always take it that way  
Did you wanted me to stay  
Pay again and take it back

I'd give you some of mine  
Just sit down and let me rock this day  
Rock this day

[Rap]

Give it give it all you've got (all you've got)  
Shake it shake it on the spot (on the spot)  
Hate it fake it in the light (in the light)  
Give it give it all you've got (all you've got)  
Shake it shake it on the spot

Give it give it all you've got (all you've got)  
Shake it shake it on the spot (on the spot)  
Hate it fake it in the light (in the light)  
Give it give it all you've got (all you've got)  
Shake it shake it on the spot  
In the light oh yeah
