Hey I've been watching you for so long
And I've tried to hold on
But your body makes me crazy
Oh, I know you've heard it before
But I just can't ignore
The way your deep brown eyes embrace me

If you want it if you want it
Push the button push the button
Girl you gotta girl you gotta
Push the button push the button

If you want me to touch
But you gonna say no (no)
If you wanna feel a rush
I think you better say yeah (yeah)
Watching every move you make
No time to be afraid
If you want me to go
Baby let me know (know)

No I'm not gonna let you go
I feel so out of control
You've given me all the right reasons
You know every trick in the book
And you know that I'm hooked
You say you want to take it slowly

If you want it if you want it
Push the button push the button
Girl you gotta girl you gotta
Push the button push the button

If you want it if you want it
Push the button push the button
Girl you gotta girl you gotta
Push the button push the button

If you want me to touch
But you gonna say no (no)
If you wanna feel a rush
I think you better say yeah (yeah)

Watching every move you make
No time to be afraid
If you want me to go
Baby let me know (know)

If you want it if you want it
Push the button push the button
Girl you gotta girl you gotta
Push the button push the button

If you want me to touch
But you gonna say no (no)
If you wanna feel a rush
I think you better say yeah (yeah)
Watching every move you make
No time to be afraid
If you want me to go
Baby let me know (know)

If you want me to touch
But you gonna say no (no)
If you wanna feel a rush
I think you better say yeah (yeah)
Watching every move you make
No time to be afraid
If you want me to go
Baby let me know (know)
