I really love ya
Oh you know that I do
I Love you
That's how you feel
And I can't do nothing at all won't stop you

[CHORUS:]
You have to know that
I'll be your right
Whether you love me you're not
I'll be alright

A thousand knives
Oh they cut my heart, my heart
But I won't never show you the scar you give me
Deep down I want you to stay
I guess I have to let go
And say

[CHORUS:]
You have to know that
I'll be your right
Whether you love me you're not
I'll be alright

Fall turn this brave
I spread my wings and be alright
Is that where we stand
Lovers to friends
I'll be alright

[CHORUS:]
You have to know that
I'll be your right
Whether you love me you're not
I'll be alright
