She turns my world around
Whenever she is touching me
She knows she's got control
Of every little thing I feel

(You better let go
You better let go)

I can't go on feeling
Like a little devil boy
But at the same time she
Takes me where I wanna be

(You better let go
You better let go)
Come on you know what I want

She takes me into fantasy
Let me back to reality
(Hey ho hey hey hey ho)
Insanity
Your girlfriend's coming on to me
She eats your heart out can't you see
(Hey ho hey hey hey ho)
Insanity

No you have no idea
She's doing things behind your back
She's creeping up behind you
Telling me "I want you"

(You better let go
You better let go)
Come on girl

Now don't push it girl
Then go to someone else when
You know you hurt me - aouch!
Really really bad

(You better let go
You better let go)

She takes me into fantasy
Let me back to reality
(Hey ho hey hey hey ho)
Insanity
Your girlfriend's coming on to me
She eats your heart out can't you see
(Hey ho hey hey hey ho)
Insanity

Sweet as she is she is breaking my heart
Nobody knows it I fell from the start
Heating your life then she blows you away
But I can't stay

(You better let go
You better let go)

She takes me into fantasy
Let me back to reality
(Hey ho hey hey hey ho)
Insanity
Your girlfriend's coming on to me
She eats your heart out can't you see
(Hey ho hey hey hey ho)
Insanity yeah
