You were searching
For some evidence
That I've been cheating
Checking my phone my mail my crub
My pockets for no reason
Looking for proof proof proof
But you're only wasting time
You told me you were gon confess if
Only I came clean and
That's when I gave you
Your own medicine
Which you believed in
But it wasn't true true true
Still you think I'm just denying

You can say
Whatever you want about me
But the truth of the matter is
I never did you wrong
Did you wrong
Did you wrong
And you gon miss me when I'm gone
When I'm gone
When I'm gone
Yeah you gon regret it
Yeah you gon regret it
Regret it

You started playing games
So now you gotta deal with it
And oh it's such a shame
That we couldn't be real 'bout it
Karma karma karma
Yeah you gon regret it
Yeah you gon regret it
Regret it

It's been more
Than a couple of months
And we ain't even speaking
You don't return my calls
Thinking that you

Will get even
Why you act a fool fool fool
There is something that ain't right
Maybe you're the one that's been
Incognito and creeping
If it's so then let me know cause you
Confuse my feelings
I'm about to lose it lose it lose it
Why you tryin' to switch it 'round

You can say
Whatever you want about me
But the truth of the matter is
I never did you wrong
Did you wrong
Did you wrong
And you gon miss me when I'm gone
When I'm gone
When I'm gone
Yeah you gon regret it
Yeah you gon regret it
Regret it

You started playing games
So now you gotta deal with it
And oh it's such a shame
That we couldn't be real 'bout it
Karma karma karma
Yeah you gon regret it
Yeah you gon regret it
Regret it

I can't believe you
Give me this nonsense
How you gonna tell me I let you down
If you got a little bit heart in you
Can you please explain
Why you flip the coin around
I know I've done a lot of bad
But I never been in bed
With another lady trust me it's true
And the proof that you claim that you got
Is nothing but a
Way for you to come up
With an excuse
To smooth and slowly get away
Too afraid to tell it
Straight to my face
Six years I stayed with you
Laid with you
Is this how you gonna play

It's ok it's alright
Go ahead and scram
By the night that you wake up
You gon regret it
That you lost a good man
For sure

You started playing games
So now you gotta deal with it
And oh it's such a shame
That we couldn't be real 'bout it
Karma karma karma
Yeah you gon regret it
Yeah you gon regret it
Regret it

You can say
Whatever you want about me
But the truth of the matter is
I never did you wrong
Did you wrong
Did you wrong
And you gon miss me when I'm gone
When I'm gone
When I'm gone
Yeah you gon regret it
Yeah you gon regret it
Regret it

You started playing games
So now you gotta deal with it
And oh it's such a shame
That we couldn't be real 'bout it
Karma karma karma
Yeah you gon regret it
Yeah you gon regret it
Regret it
