Baby your beauty is just something away from this time
I never knew that your perfection could exist around
I gotta get to know and show you what I'm all about
Tomorrow's never promised got to let my feelings out

Should I just talk to you baby baby
Should I let you go no no no no
What if you diss me girl no no no no
No matter what I'm so on

Laura
You're so beautiful
Oh my oh oh
Laura
You're so magical
No other girl could make me feel this way

You're like a big hit on the top list straight from east to
south
Your name just seems to be the only word on every
mouth
I know my competition's harder than ever before
What to do I'm drowning girl and I just don't know what
I'm waiting for

Should I just talk to you baby baby
Should I let you go no no no no
What if you diss me girl no no no no
No matter what I'm so on

Laura
You're so beautiful
Oh my oh oh
Laura
You're so magical
No other girl could make me feel this way

Some way some how I gotta do this girl
I guess the right time is now I ma give it a whirl
If you bounce me back then at least I tried
And if I get a date that would be alright

L.A.U.R.A
Laura do you feel me

Laura
You're so beautiful
Oh my oh oh
Laura
You're so magical
No other girl could make me feel this way

Laura
You're so beautiful
Oh my oh oh
Laura
You're so magical
No other girl could make me feel this way
Feel this way
