Leave me, hurt me, watch me cry
Leave me, hurt me, it's all a lie
Leave me, hurt me, watch me die
I I I'll never come back to you

Damn you girl, for using me
Don't wanna face the truth, you gave to me
Can't believe it's over, from the tossing and turning
Cause your arms won't be around me no more

Try to sleep in my cold bed at night, we were meant to
be
We give each other love, we need to leave me
We give each other love, we need to hurt me

Leave me, hurt me, watch me cry
Leave me, hurt me, it's all a lie
Leave me, hurt me, watch me die
I I I'll never come back to you
(X2)
Never ever never ever never

Damn you girl, for using me
Don't wanna face the truth, you gave to me
Can't believe it's over, from the tossing and turning
Cause your arms won't be around me no more

Try to sleep in my cold bed at night, we were meant to
be
We give each other love, we need to leave me
We give each other love, we need to hurt me

Leave me, hurt me, watch me cry
Leave me, hurt me, it's all a lie
Leave me, hurt me, watch me die
I I I'll never come back to you
(X2)

(Girl on the phone)

Leave me, hurt me, watch me cry
Leave me, hurt me, it's all a lie

Leave me, hurt me, watch me die
I I I'll never come back to you
(X2)
