This blood is on your hands
Now no one can save my heart
And the scar you left can't be repaired
The knife is in your hands
Is that a smile on your face?
It's so clear to me

You're a lovekiller
You're a love lovekiller
You're a lovekiller
You're a murderer x2

You're a cold blooded murderer (murderer)
Baby, never did I think you could
Be such a cold blooded murderer (murderer)
You're a lovekiller, you're a murderer

I see your strategy
I bet you've been here before
You won't stop until your victims crawl
It's like a criminal
You stole the love away from me
It's so clear to me

You're a lovekiller
You're a love lovekiller
You're a lovekiller
You're a murderer

You're a cold blooded murderer (murderer)
Baby, never did I think you could
Be such a cold blooded murderer (murderer)
You're a lovekiller, you're a murderer
You're a murderer...

You're a lovekiller
You're a love lovekiller
You're a lovekiller
You're a murderer x4

You're a cold blooded murderer (murderer)

Baby, never did I think you could
Be such a cold blooded murderer (murderer)
You're a lovekiller, you're a murderer

You're a lovekiller
You're a love lovekiller
You're a lovekiller
You're a murderer
