Be careful with my heart x4

This is insane she's making her way in my head
Dangerous game I should drop it and walk away
I'm not the same the wish my every interest stray
In a bad way, now all that I can do is play

She's in my head 24/7
Whether I like it or not

It isn't ok
You play a dangerous game
Got me hangin' like a voodoo puppet on a string
This isn't ok
You got me losin' my way
I'm a prisoner I'm stuck inside your labyrinth, oh

I see the sun
I'm smiling but I'm terrified
She's in disguise
An angel with a devil's touch
No where to hide
Like a radar that won't lose my sight
I'm goin' blind
I know she's messing with my mind

She's in my head 24/7
Whether I like it or not

It isn't ok
You play a dangerous game
Got me hangin' like a voodoo puppet on a string
This isn't ok
You got me losin' my way
I'm a prisoner I'm stuck inside your labyrinth, oh

Be careful with my heart x8

Oh

This isn't okay

This isn't okay
This isn't okay
Baby, it ain't okay

It isn't ok
You play a dangerous game
Got me hangin' like a voodoo puppet on a string
This isn't ok
You got me losin' my way
I'm a prisoner I'm stuck inside your labyrinth, oh

Be careful with my heart x2

It isn't ok
You play a dangerous game
Got me hangin' like a voodoo puppet on a string
This isn't ok
You got me losin' my way
I'm a prisoner I'm stuck inside your labyrinth

Be careful with my heart x3
