Sometimes I feel caught in yesterday
Because of all the memories that burn
Where I will go there is no return
And time will heal my yearn

I dream about the world and I'm still young
I got to live my life while I am free
There is so much from you I will keep
Thoughts of you and me

Feel the wonder of tomorrow in you

Baby I am sorry
But I have to leave
And sail the ocean
By myself
Maybe there will come a
Day for us to find a
Way to let us
Meet again
Maybe this is not the end

Listen to the wind between the trees
Watch the stars shine for you and me
Open your eyes it ain't hard to find
The miracles in the night

Dive into the ocean of your dreams
Sometimes things ain't what they seem
If you feel lost and might be afraid
And lonely in the rain

Paint the picture of tomorrow in you

Baby I am sorry
But I have to leave
And sail the ocean
By myself
Maybe there will come a
Day for us to find a
Way to let us
Meet again

I'm saying goodbye
Baby please don't you cry
'Cause forever we'll be
More than friends
Maybe this is not the end
Maybe this is not the end

Hope I'll see you someday
But for now goodbye
I spread my wings and fly

Maybe this is not the end
Sail the ocean by myself
Maybe there will come a
Day for us to find a
Way to let us
Meet again

I'm saying goodbye
Baby please don't you cry
'Cause forever we'll be
More than friends
Maybe this is not the end
Maybe this is not the end
