So many words for the broken heart  
It's hard to see in a crimson love  
So hard to breathe  
Walk with me and maybe

Nights of light so soon become  
Wild and free I can feel the sun  
Your every wish will be done  
They tell me

Show me the meaning of being lonely  
Is this the feeling I need to walk with  
Tell me why I can't be there where you are  
There's something missing in my heart

There's nowhere to run  
I have no place to go  
Surrender my heart, body and soul  
How can it be you're asking me to feel  
The things you never show

I need to walk with  
Tell me why I can't be there where you are  
There's something missing in my heart
