Just watch me girl
Be ready I'm coming for you
My body just felt it I knew
Tonight is the start of something new

The way you dance
Makes we wanna get down and show you
That we can become one not two
As we move to this beat like crazy

Move it move it move it move it
Let's rock it, rock it, rock it, rock it
We can even pop it pop it pop it
Tonight is on

Girls step up to the party
Grab a boy and move your body
Do like me and my honey
Oh Oh Oh Oh Oh Oh

Boys step up to the party
Grab a girl and move your body
Do like me and my shorty
Oh Oh Oh Oh Oh Oh

It feels like
We've been doing this for years
The crowd is reflecting our moves
Amazing what a beat can do

Now follow me
And pop that body clap your hands
Turn around on one two
Say "Oh Oh Oh Oh Oh Ooh"

Move it move it move it move it
Let's rock it, rock it, rock it, rock it
We can even pop it pop it pop it
Tonight is on

Girls step up to the party
Grab a boy and move your body

Do like me and my honey
Oh Oh Oh Oh Oh Oh

Boys step up to the party
Grab a girl and move your body
Do like me and my shorty
Oh Oh Oh Oh Oh Oh

Baby look at us
The way we move
From side to side
It's all so smooth
With every step we take
It just get better
Girl no doubt
We got it together

Baby look at us
The way we move
From side to side
It's all so smooth
With every step we take
It just get better
Girl no doubt
We got it together

Girls step up to the party
Grab a boy and move your body
Do like me and my honey
Oh Oh Oh Oh Oh Oh

Girls step up to the party
Grab a boy and move your body
Do like me and my honey
Oh Oh Oh Oh Oh Oh

Boys step up to the party
Grab a girl and move your body
Do like me and my shorty
Oh Oh Oh Oh Oh Oh

Girls step up to the party
Grab a boy and move your body
Do like me and my honey
Oh Oh Oh Oh Oh Oh

Boys step up to the party
Grab a girl and move your body
Do like me and my shorty
Oh Oh Oh Oh Oh Oh
