Oh oh oh oh oh oh
Oh oh oh oh oh oh

Loving you ain't easy
That would be the least to say
Though you make me happy
I don't always feel that way

We're a constant round of ups and downs
A bittersweet come true
That's me that's you

Sometimes I really love you
Sometimes hate is all I do
That was that is that be
The thing about you

Oh oh oh oh oh oh
The thing about you
Oh oh oh oh oh oh
The thing about you
Oh oh oh oh oh oh
The thing about you
Oh oh oh oh oh oh

Sure know how to break me
Sure know how to make me smile
Though sometimes you hurt me
Damn you make it worth the while

We're a bit of this a bit of that
A twisted kinda fact
But that's us that's enough

Sometimes I really love you
Sometimes hate is all I do
That was that is that be
The thing about you

Oh oh oh oh oh oh
The thing about you
Oh oh oh oh oh oh

The thing about you
Oh oh oh oh oh oh
The thing about you
Oh oh oh oh oh oh

We're a pretty scene
We're a broken view
For an audience of two
You're a part of me
I'm a part of you
No matter what we go through

Sometimes I really love you
Sometimes hate is all I do do do

Oh oh oh oh oh oh
Oh oh oh oh oh oh
Oh oh oh oh oh oh
Sometimes I really love you
Oh oh oh oh oh oh
Sometimes hate is all I do

That was that is that be (the thing about you)
That was that is that be (the thing about you)
That was that is that be
That was that is that be
That was that is that be
That was that is that be
That was that is that be
