"This Love"

I was so high I did not recognize
The fire burning in her eyes
The chaos that controled my mind
We said goodbye and she got on a plane
Never to return again but always in my heart

Oh this love has taken it's toll on me
She said "Goodbye" too many times before
And her heart is breaking in front of me
And I have no choice
'Cause I wont say goodbye anymore

Oh oh oh
Oh oh oh

I tried my best to feed her apatite
Keep her calling every night
So hard to keep her satisfied
Oh kept playing love like it was just a game
Pretending to feel the same
Then turn around and leave again

This love has taken it's toll on me
She said "Goodbye" too many times before
And her heart is breaking in front of me
And I have no choice
'Cause I wont say goodbye anymore
