I walk into the party  
I can feel your eyes on me as I walk in  
Let's get this business started  
It's time to make my move  
You only get one shot

I push up on your body  
Now I finally have us standing face to face  
Away from everybody  
I gotta throw a line  
To show you what I've got

I say shorty here's my cue  
'Cause I just had to talk to you  
And I can tell you want it too  
I said "I need to get with you"

Girl, it's going down tonight  
I'm gonna make you mine  
Can't you see I want ya  
I want ya girl

I've been checking you all night  
So what's the point of lying  
Now can't you see I want ya  
I want ya girl

Now I can be committed  
I'll work that body like a nine to five  
I might as well admit it  
And as I grab your hips  
I watch you lick your lips

You know I'm about to kiss you  
Can't wait to taste the honey from the hive  
To think I almost missed you  
And now I'm standing here  
About to cash my chips

I say "Shorty here's my cue"  
'Cause I just had to talk to you  
And I can tell you want it too

I said "I need to get with you"

Girl, it's going down tonight  
I'm gonna make you mine  
Can't you see I want ya  
I want ya girl

I've been checking you all night  
So what's the point of lying  
Now can't you see I want ya  
I want ya girl

Oh girl I think it's time we get together  
Now everybody dance  
Gonna make you mine

Girl, it's going down tonight  
I'm gonna make you mine  
Can't you see I want ya  
I want ya girl

I've been checking you all night  
So what's the point of lying  
Now can't you see I want ya  
I want ya girl

Girl, it's going down tonight  
I'm gonna make you mine  
Can't you see I want ya  
I want ya girl

I've been checking you all night  
So what's the point of lying  
Now can't you see I want ya  
I want ya girl
