Let's go
Yes I know
Everybody knows
You've got that feeling
Get up now
Yeah get on up
And show us all what you're made of

Oh no
Yes I know
Everytime I do
I get all the attention
Get up now
Yeah get on up
And show us all what you're made of

When I'm thinking
Every day
Every night
Everytime I see
What I got and what the world is
Damn it's good to me
When you watching
Everything seems so good
But what happens inside
Get up now
Yeah get on up
And show us all how to move that far

Oh can't you see if you got the will you'll make it far
You gotta try try try and fight fight fight
'Cause you gotta do what's right come on

Let's go
Yes I know
Everybody knows
You've got that feeling
Get up now
Yeah get on up
And show us all what you're made of

Oh no

Yes I know
Everytime I do
I get all the attention
Get up now
Yeah get on up
And show us all what you're made of

Hey sweetie baby
Did you know that
Everything I see in you
Makes me blow away
And did you know that you
Yeah ah yeah you can do it
Get up now
Yeah get on up
And do something about it

Oh can't you see if you got the will you'll make it far
You gotta try try try and fight fight fight
'Cause you gotta do what's right come on

Let's go
Yes I know
Everybody knows
You've got that feeling
Get up now
Yeah get on up
And show us all what you're made of

Oh no
Yes I know
Everytime I do
I get all the attention
Get up now
Yeah get on up
And show us all what you're made of

Crazy sexy cool you name it
Bring it all don't sweat just stay there
Bring it on bring it bring it on
Just pull your hands back 'cause I said that
Seeking looking for my game
Crying over all that fame
And all the time it never came
So show us all what you're made of

Let's go
Yes I know
Everybody knows
You've got that feeling
Get up now

Yeah get on up
And show us all what you're made of

Oh no
Yes I know
Everytime I do
I get all the attention
Get up now
Yeah get on up
And show us all what you're made of

Let's go
Yes I know
Everybody knows
You've got that feeling
Get up now
Yeah get on up
And show us all what you're made of
