I saw her last night  
Standing in the crowd  
And in a sudden flash of glory  
I was blinded  
And though everything was moving  
My hole world came to stop  
Now I need to know  
Please I need to know

Who's that girl, tell me what's her name  
Who's that girl, does she feel the same  
Who's that girl, this is no ordinary crush  
If I have to I'll go halfway round the world  
Who's that girl

Angel eyes of mine  
Where have you gone to  
Were you really here  
Or was it just a dream  
In a sea of smiling faces  
Someone special caught my eyes  
Now I need to know  
Please I need to know

Who's that girl, tell me what's her name  
Who's that girl, does she feel the same  
Who's that girl, this is no ordinary crush  
If I have to I'll go halfway round the world

Who's that girl  
In the white dress  
With the deep blue eyes  
And the magic smile  
HHas anybody seen her

And though everything was moving  
My hole world came to stop  
And now I need to know  
Please I need to know

Who's that girl  
Who's that girl

Who's that girl  
If I have to I'll go halfway around the world  
Who's that girl

Who's that girl  
Who's that girl, this is no ordinary crush  
If I have to I'll go halfway round the world  
Who's that girl

Has anybody seen her
