I can't believe she's gone
I can't believe
That we are not together anymore
Something in her eyes
I've never seen before
It took me by surprise
When she said
"I'm not in love anymore"
Oh baby I keep holding on
Can't let go please let me know

Why does it rain
Why does it hurt
Please God explain
'Cause I don't understand
Love made me fly
Now I just cry
Please tell me why
Why does it rain

We used to be as one
We never were apart
The sun was always shining
In my heart
Now those days are gone
I miss the love we had
No one ever told me
Life could be so sad
Oh baby I keep holding on
Can't let go please let me know

Why does it rain
Why does it hurt
Please God explain
'Cause I don't understand
Love made me fly
Now I just cry
Please tell me why
Tell me why does it rain

I keep holding on
Can't let go please let me know

Why does it rain
Why does it hurt
Please God explain
'Cause I don't understand
Love made me fly
Now I just cry
Please tell me why
Why does it rain

Please God explain,
'Cause I don't understand
Love made me fly
Now I just cry
Please tell me why
Why does it rain
